

Send & Spend Smarter

We are constantly innovating and looking for ways to deliver on our promise to help guide our members to better financial lives now and for generations to come. The features below will give you more control over your finances while also saving you time and money.

Zelle® is Here!

We have partnered with Zelle® to bring you a fast, safe and easy way to send and receive money with friends, family and other people you trust.²

Zelle® is available right from Online and Mobile Banking so you don't need to download anything new to start sending and receiving money.

- **Fast:** Send money directly from your account to theirs, typically in minutes³
- **Safe:** Send and receive money with Zelle® right from online or our mobile banking app²
- **Free:** There are no fees to send money with Zelle® from our online or mobile banking app¹

Enhanced Purchase Rewards for Debit Card Users

With the new Power Financial Credit Union My Rewards program, it's easier than ever to earn cash back from your favorite stores - no coupon clipping required. And now, there are even more offers at your fingertips.

My Rewards is seamlessly integrated allowing PFCU Debit Card holders to choose from and activate a variety of merchant offers right from Online or Mobile Banking. You simply activate the offers that interest you, shop and save.

Here is how it works:

- **Tap:** Activate the offers that interest you
- **Spend:** Make purchases online or instore with your PFCU debit card
- **Save:** Receive cash back to your account*

Connect your PFCU Account to QuickBooks® with Web Connect

Now in addition to Quicken®, you can quickly connect your Power Financial Credit Union accounts to QuickBooks® to get a fuller picture of your financial life. Using Web Connect, you can easily import your PFCU account information to Quicken® or QuickBooks® to better manage your personal and/or business finances.

Connectivity Benefits for Members

- **No manual data entry:** Once set up, members can download all their transactions right into Quicken or QuickBooks.
- **Automatically reconcile data:** Complete transaction and balance information makes categorization and account reconciliation easy.
- **No duplicate transactions:** A special transaction-matching algorithm prevents duplicate transactions.
